Newsletter w.e. 26th May 2017

Our residential programme is virtually completed, Post 16 will be visiting Freshwater Activities Centre in June. We had successful and enjoyable trips to Center Parcs, Rockley Park and Magdalen Farm and Post-16 to Chichester. I even got to go on two of the Middle School trips to Rockley... a great time was had by all.

Again, for some of the children, it was their first time away from home! An experience they'll always remember. I'm sure you'll join me in giving a huge thank you to all the staff involved, for all their time and hard work in making these happen.

Have a safe and relaxing half term break, I look forward to seeing everybody back on Monday 5th June.

6—8pm on 27th June at Merley House, Wimborne BH21 3AA

These sessions will explain the Preparing for Adulthood legislation which states that young people should be supported to exercise choice and control over their lives using the 4 'preparing for adulthood' outcomes:

Independent living, Employment, Having friends and relationships, being part of their communities, being as healthy as possible

For information, the DCC policy is that they will only support and fund Post 18 education provision if it is deemed that the young person's special education need means that they need longer in education to achieve their agreed outcomes (as stated in their EHCP).
