

PUPIL PREMIUM IMPACT – CASE STUDY C

Name of pupil	XXX	Class Dolphins	Year 4
Identified area for improvement	Pupil X has significant additional needs due to his epilepsy. He requires specific 1:1 supervision due to 'drop seizures' and the provision of specialised equipment. (helmet)		
Objective	To ensure needs are met and increased safety from injury.		
Intervention	Staff	Specific trained TA	
	Nature of intervention	1 : 1 supervision, individual programmes, liaison with SaLT/Parents	
	Individual /Small group / Class	Individual	
	Duration	4 hrs. per day	
	Parent/Carer involvement	Daily liaison	
Success criteria	Successful admission to school		
Impact on pupil's learning	Ability to access curriculum whilst staying safe		
Evidence	Attendance records, learning and progress file		
Future recommendations	Update of EHCP identifying current needs and provision required.
