## Newsletter w.e. 8th March 2019

We are pleased to announce that Beaucroft School has been invited to participate in a pilot visit from Ofsted on Tuesday 12th March through to Thursday 14th March to trial the new inspection framework. This is an excellent opportunity for us to gain invaluable insight into the new framework in advance of Ofsted's launch to all schools nationally in 2019. Throughout the inspection, some of the activities may be used to gather evidence but the process 'will not contain any critique or lead to judgements', 'nor will it be used on any future inspection of the school'. It is, however, an opportunity for the school to, 'take part in trials and dialogue where inspectors will provide feedback for aspects which they have considered as part of the pilot'. This means that we will receive some feedback which will help to form future plans for our school. We look forward to sharing this with you and thank you for your continued support.

We are even more excited about our annual Beaucroft's Got Talent event happening the week beginning 18th March. We hope to post some highlights on the school website.

The Post 16 Café in the Community continues to thrive every Wednesday and, due to popular demand, we are opening a second day after Easter. More details to follow.
