Last week we had a memorable Prom for our Year 11 and 14 leavers at Merley House. The red carpet and sunshine came out as the young people arrived looking magnificent. A lovely meal and presentations preceded an evening of dancing including a giant conga! The leavers ceremony was emotional as usual as we said goodbye and wished them luck with next steps beyond Beaucroft. Destinations this year include Brockenhurst, Kingston Maurward colleges, Wing Centre and Employ My Ability.

Wednesday afternoon was our Transition day. It was lovely to welcome our 17 new starters and meet their families. It was also an opportunity for all children and staff to spend time in their new September groups. There were lots of smiles which bode well for September.

Hope to see you at the BBQ tomorrow and enjoy the sunshine!

## **A message from: Dorset Parent Carer Council Steering Group:**

### **SHORTBREAKS SURVEY!**

In 2009 and 2013, DPCC worked with the old Dorset County Council to gather the views of parent and carers to help design and plan the future of short breaks across Dorset.

We are pleased to say that we are doing this again with the new Dorset Council and need as many parent carers to complete the 2019 survey as possible.

Dorset Council commissions a variety of short break services, which allow children and young people to have fun outside the home and give parents and carers some much-needed time to themselves.

We need to know what short breaks parents, carers, children and young people would like to see in the future, to say what's currently working and what needs to be better.

Your answers will make sure Dorset Council uses the limited resources and funding available to provide a range of short breaks that we (parents, carers, children and young people) want - not what others think we want.

This survey works best on tablet or PC, due to the range of questions we need to ask.

<https://www.snapsurveys.com/wh/s.asp?k=155965947456>

Please do take part and let's make sure our voices and our choices are heard!

PLUS – if you are eligible for short breaks, you could be in with a chance to win one of 10 Love2Shop vouchers for £25 usable at over 20,000 outlets. Simply fill in your details at the end of the survey to be entered into the prize draw. Find out if you're eligible

The results from the survey will be published on Dorset Council's and our website shortly after the survey closing date (26 July).

You can complete it online or, if you need a paper, copy call 01305 224794.
