Newsletter: Week ending December 11th 2020

Hi everyone – we hope this newsletter finds you well.

We are in the midst of our wonderful Christmas chaos! It's been a great week with a visit from Santa to the Early Years and numerous festive coffee mornings. Wonderful to see you, and we look forward to seeing more of you in person, hopefully, in the near future. It's been lovely to see so many Christmas jumpers this week—a huge thank you to all of you who have donated via the school Gateway App—if you have not yet been able to this link will be available on the app until 18th December.

The hall looks particularly festive with the Beaucroft traditional class mobiles and a super tree decorated by Corfe class—have a look at the video on the website!

Can we take this opportunity to say how amazing your children have been this term. They have adapted to the Covid19 measures and arrived every day with their usual positive attitude and sense of fun.

Our staff team continue to be beyond compare in their efforts to support our children and one another. Thank you!

There are no changes to our end of term arrangements our final day will be Friday 18th December as planned.

Have a wonderful, safe Christmas and we look forward to welcoming all the children back on Tuesday, January 5th.

Christmas Plans for the last week!

- ◆ Whole school virtual sing a long—Thursday
- ◆ Virtual Christmas disco—Friday morning
- ◆ Christmas Lunch for all those that wish to have one

Friends of Beaucroft are running a **100 Club** from January offering those taking part to win up to £25 with a monthly draw. If you wish to take part please complete the form sent out on 02.12.2020 and pay for your number/s using the Gateway App. Thank you for supporting us.

IMPORTANT!

Coronavirus communication over the festive period.

If your child receives a positive test result over the Christmas school holiday please inform the school through the school office email. If they developed symptoms more than 48hrs after they were last in school you will also need to contact NHS Track and Trace.
