Newsletter w.e. 3rd February 2017

Don't forget!

Friday 3rd February

Reminder

Our whole school, development day tomorrow is for staff training in 'Dorset Steps' a therapeutic approach to behavior management that has been undertaken by all the Dorset Special Schools.

I've been asked by Dorset Parent Carers Council to thank those of you who participated in giving feedback to Ofsted, during last week's inspection of the Local Authority. The results will apparently be published within 33 days! I'll keep you informed.

As usual around this time of year, I have been attending the annual conference for Special School Headteachers in Torquay. (SWALSS) This is where I receive all the latest info. from the DfE, Ofsted, academisation and funding etc. As they say, 'exciting times ahead...' Rest assured, despite many potential changes ahead, we will ensure that any we make, will be in the interests of Beaucroft children, not just to meet some vague political agenda.

May I also remind you, if your child is sick and going to be off school—please could you phone the school to let us know, rather than pass on the message via the bus escort. Thank you.

26th May 2017

5.45pm show at Christchurch. There are 20 tickets available for Beaucroft families.
