Newsletter w.e. 3rd November 2017

Welcome back and I hope everyone had a safe and relaxing break and are ready for the exciting run up to Christmas.

Fundraising for Children in Need will take place on Friday 17th November.

Individual classes will be planning their own activities so look out for further details shortly.

As you can see below, the Friends Association have already two events planned for this term—perennial crowd pleasers that have run successfully for many years. These events raise much needed income that is used to great effect throughout the year.

I would like to take the opportunity to say thank you, not only to the association in general, but in particular to Chris Woodward, Purbeck Class Teacher, who does a great job of liaising with the association. He even went to Swanage over half term to accept a cheque from their Carnival committee for £600. Another thank you to all those people who helped out collecting money or picking up litter at the Swanage Carnival, to enable this to happen.

As you know, Beaucroft likes to support the annual Poppy appeal. Poppies are available in school if you would like to send your child into school with a donation.

Thursday 7th December

letter to follow.
