## Newsletter w.e. 9th March 2018

I hope everyone has got over the snow and ice of last week, let's hope everything will be back to normal for the remainder of term.

### **Beaucroft's Got Talent 2018**

As a result of the 'snow days' last week this year's event had to be postponed. We had two days of magnificent auditions, but the third was due on Thursday. The final will have taken place this afternoon, I'll let you know all the winners next week.

### **ESAFETY**

As part of our continuing programme of 'ESafety' we have again engaged the services of the Police 'Safe Schools and communities Team.' They will be coming into school to work with individuals, classes and staff, about keeping safe in the digital world in which we live. They have arranged a special session for parents on the 20th April between 11.00—12.00, further details will be sent closer to the day.

On a general note, if you are concerned about anything with your child's use of any digital equipment and use of social media etc. please let us know, as we can liaise with you and the appropriate agencies to help.
