Newsletter w.e. 18th January 2019

Happy New Year to you all!

Hope you all had a restful and fun break over Christmas. It is pleasing to see how positively the pupils have come back and quickly settled into their classes.

We are very excited this year to be launching a Post 16 café in the community in association with the RAFA building in Wimborne, (opposite the Quarter Jack surgery). After a few trial weeks it will welcome customers for light refreshments every Wednesday after half term. We can guarantee outstanding customer service and a unique dining experience!

We are delighted to welcome back M&M Productions on 30th January who will be performing 'Peter Pan' for many of our students across all departments. A huge thank you again to the charity 'Happy Days' who have kindly funded this event (and many more events across the year) for us. The team at M&M are a very talented group and the pupils are guaranteed to be thoroughly entertained and engaged for the afternoon.

This half term sees the first of our Middle School Residentials taking place. Some students will be visiting Avon Tyrrell Activity Centre and staying overnight in a woodland lodge. This follows the hugely successful residential that took place during the last summer term at Avon Tyrrell. There is much excitement and the pupils have been planning their days there with enthusiasm.

Thank you as always for your continued support.

Diane Makariou and Joe Barnett

Up coming events:

Friends of Beaucroft meeting - 7pm on 29th January here at Beaucroft.

Friends Bingo Night! 22nd March, doors open at 6.30pm, eyes down at 7pm. Refreshments will be available.

Parent Open Coffee Morning—Feb 12th—
10.00—12.00

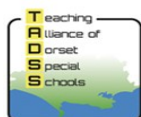

Parent Group event-Weds, March 24th -
'Family Well Being' session delivered by an
external provider. More details to follow.

Please see reverse for a more detailed list of diary dates.

We now have a fifth of parents using the School Comms App which is great. We would love to see that number increase over time and reduce unnecessary paper use. It is hoped that this will become our main form of communication over time.

With this in mind, please ensure that as the weather becomes colder, do check the app for any possible school closures. We will of course also send text messages and also update our school website with any closures.
