## Newsletter w.e. 24th May 2019

We are delighted to announce that our first brand new Variety Minibus has arrived! Some of the pupils helped us celebrate its arrival by singing 'The Wheels on the Bus!' We would like to take this opportunity to thank the The Geoff and Fiona Squire Foundation, the Louis Ross Foundation and the John Thornton Young Achiever's Foundation for their very generous donations. The minibus will be busy taking our pupils on many great adventures!

On 4th June we will be heading to Sivermere Golf and Leisure Centre in Surrey to receive our second Variety Minibus! The funds for this bus have come from all the hard work and commitment of the Friends of Beaucroft along with Crest Nicholson, a building company based in Surrey. A huge thank you for all of you who have supported Friends of Beaucroft by attending their events or contributing towards prizes for example. These efforts have enabled the pupils to be able to experience their wider community outside of Beaucroft.

Residential season is well underway with some of the Seniors having been to Center Parcs this week. The also managed to fit in a visit to Longleat. The weather has been kind and great fun was had by all (pupils and staff!). After half-term many of our Post 16 students will be going to Freshwater Beach Holiday Park in Burton Bradstock. This follows on from a successful Duke Of Edinburgh's Award sleepover here at Beaucroft earlier this month. These students are working towards obtaining their Bronze Award which is a great achievement. Well done! Many of our Middle School pupils will be experiencing a trip in the New Forest, staying in wooden lodges at Avon Tyrrell, at the end of June. Fingers crossed for more fine weather!

This week a Parent Questionnaire was sent home. Please do find time to complete this and return it to us. It is important for us to have feedback to discover where we are getting it right and where we need to improve. Thank you in anticipation of your support.

*Diane Makariou and Joe Barnett*
