

 Popular  Demand...  30 Day  photo  challenge for  June. I've had lots of

 positive  comments for the  May  photo  challenge, so here's a  new one for

 June,  although you  can do them at  any time.

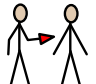

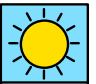

The  idea is that  you  take one  photo a  day  linked to the theme

 on the  next sheet.

At the end of the  month  put all your  photos into a  collage and

 email  them to z.newber@beaucroft.dorset.sch.uk

I  will as  Phil to  put as many as  possible  on the  website.

 No time limit. Have  fun. If  you miss a  day  no problem, do it when

 you can or leave it out.
