

Newsletter w.e. 10th September 2021

Welcome back everyone!

It's been lovely to welcome back all the children in the sunshine. They have all settled back amazingly well. A special welcome to our 15 new children and their families—we are delighted you have joined the Beaucroft family. It was lovely to meet some of the new parents this week at our coffee morning. We have expanded the team with additional teaching staff—Andrew Joiner in Lulworth and Nick Wadland in team Arne and Melissa Baxendale joins our office team—welcome aboard!

Our swimming pool looks fantastic with new covers and a new boiler so it will never break down again! The adventure play area has had a facelift including a new slide. Henry is still best in class and loved seeing all the children back.

We hope you have a safe, happy term and we look forward to seeing you soon.
Diane / Joe

Dates for the diary:

Please invite families to sign up for FIS

Partners will probably know we are asking families to sign-up for free advice, assistance, and updates from our brilliant Family Information Service. They help families find childcare, fun things to do and services for young people, including leisure, health and much more. Families can check-out the directory: dorsetcouncil.gov.uk/fis-search and sign-up for our free monthly FIS e-newsletter [here](#), which is packed with useful resources, events and fun ideas.

Welcome to Beaucroft Post 16 at the RAFA club. We are undertaking this venture to enable our students to gain invaluable work experience in the community.

All the students have learning difficulties and they will run the cafe with a little help from staff.
