

British Values at Beaucroft School.

At Beaucroft School we reflect British values in all that we do. We aim to nurture our children and young people on their journey through life so they can grow into safe, caring, democratic, responsible, and tolerant adults who make a positive difference to British society.

We encourage our children and young people to be creative, unique, open minded and independent individuals, respectful of themselves and of others in our school, our local community, and the wider world.

British Values have been identified as:

- **Democracy**
- **Rule of Law**
- **Individual Liberty**
- **Mutual Respect for and tolerance of those with different faiths and beliefs and for those without faith.**
