## Newsletter w.e. February 18th 2022.

This half term has flown by, the days are getting longer and daffodils are on the way!  
It has been wonderful to see the fullness of our school's provision including RAFA café, community visits and trips gradually come back to life.

Our enrichment curriculum is in full swing with so many learning opportunities beyond Beaucroft including tentative planning for summer term residentials. Portland had a great time visiting Avon Tyrell ahead of their class residential in June.

Exciting expansion plans continue, as does our recruitment to strengthen the team further. We also have some fantastic plans to further improve the current site that commences this half term.

Thank you to the John Thornton Young Achievers Foundation for their very generous donation. We will ensure the children benefit from this additional funding.

Our fantastic Friends Association (PTA) is continuing to fundraise with the ever-popular **One Hundred Club**. Please support us via the school gateway. Friends can accept cheques from the wider family. First draw takes place half term — cash prizes every month.

Hope you have a very happy and safe half term.

Diane Makariou / Joe Barnett
