

## Newsletter w.e. April 29th, 2022.

Summer term is here! We're all very excited - sunshine, swimming, BBQs, residentials, sports days and so much more!

An off shoot of our exciting expansion is a Wimborne Community garden located on Beaucroft College field. It is a garden for the local community, to support people in isolation, to support good health and wellbeing, to learn new skills, and to meet new people. The garden will provide produce for Wimborne food bank and for the Beaucroft cafe. During the week we will use it with our college and senior classes for enterprise/work skills, but there will also be a sensory garden and children's play area which can be used by all the Beaucroft community.

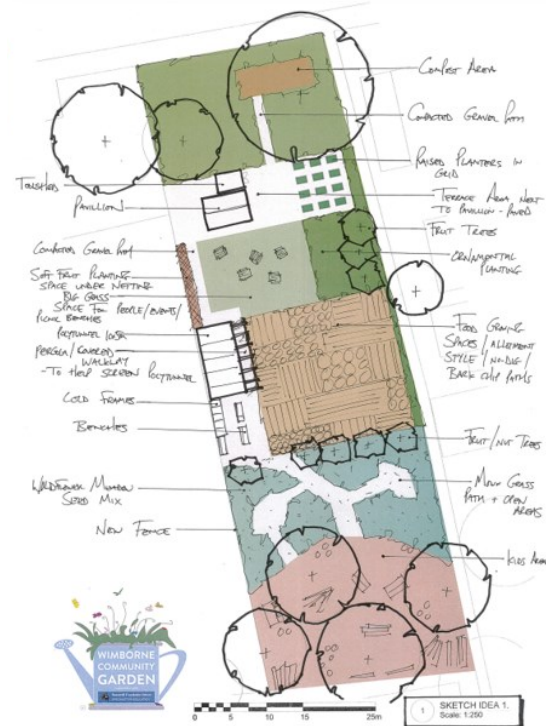

'The Big Dig' is on the 7<sup>th</sup> and 8<sup>th</sup> of May at 2.30 pm. All welcome!

More info can be found on the 'Wimborne Community Garden in Association with Beaucroft College' Facebook page.

Great news! RAFA café open Thursdays summer term—9.30—11.30.

Have a great bank holiday weekend

Diane Makariou & Joe Barnett
