Newsletter w.e. 8th July 2022

Hello everyone, hope you are all enjoying this lovely weather. We are delighted to be able to report the return of some key annual Beaucroft events. We held our Middle and Senior Department Sports Day this week. It was wonderful to see so many parents joining us to cheer on their children for this fun event. There was a fabulous team spirit, with the Blue Team becoming the eventual winners!

We have also hosted our Transition Afternoon, where our whole school gets into its September classes for the afternoon. This was a success and it was lovely to be able to meet so many of our new students and their families. We look forward to welcoming them again in September.

At the end of June we said goodbye to our Year 14 students with an emotional Leavers' Assembly where we were able to reflect upon all they had achieved during their time at Beaucroft. It was wonderful to see how proud they were and how much they had progressed. We wish them every success as they venture onto the next stage of their lives. Next week we celebrate and reflect again at our Year 11 Leavers' Assembly and annual Awards Ceremony. Before that we have the Leavers' Prom where we get the chance to celebrate again—this time on the dance floor!

Our Parent/Teacher Association (Friends of Beaucroft) remain busy and have planned a fun filled Jubilee BBQ which is being held this Friday (8th July) on the school field from 5.00pm. We look forward to seeing many of you there.

We are extremely excited to be announcing a new appointment to the Beaucroft Staff team from September. Rebecca Williams, qualified SaLT, will be joining us as a Full Time member of staff to support our students to further develop their communication skills. Rebecca brings with her a wealth of experience of working with students with additional needs and is very much looking forward to her new role here. Rebecca will be replacing our current SaLT team and will continue to support students alongside developing our in class support to benefit a wider number of students and further embed our Total Communication approach.

Dates for the diary:

Covid Message:

Sadly we have seen an increase in the number of confirmed and suspected Covid cases across the school this week. If your child presents as being unwell, please could you support us in protecting our community as best we can by keeping them at home until their symptoms have gone.

Thank you so much for your ongoing support.
