

Review of 2021/22 Premium PE spends and 2022/23 Plans

Identifying what the use of the Primary PE and Sport Premium has been to date and priorities for the coming year:

Key priorities to date:	Key achievements/What worked well:	Key Learning/What will change next year:
<p>Training for CPD development: i.e., boxercise, yoga</p> <p>Maintenance of equipment / bikes.</p> <p>Refresh lifeguard training.</p>	<p>Reduced achievements due to Covid 19.</p> <p>Gym equipment acquired.</p> <p>Creative ideas from staff to create online interactive PE sessions using websites such as Joe Wicks and DJ Raphi.</p> <p>What evidence is there of impact on your objectives?</p>	<p>Use of Sports England funding for training.</p> <p>Expand sports available i.e., yoga, boxercise.</p> <p>Re-establish off-site PE activities.</p> <p>Does this impact reflect value for money in terms of the budget allocated?</p>

The funding has been provided to ensure impact against achieving self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact on **ALL** pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers

- make improvements now that will benefit pupils joining the school in future years

For example, funding could be used to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport

- support and involve the least active children
- run sport competitions
- increase pupils’ participation in the School Games and run sports activities with other schools

The funding received for this year is £16,630. Projected costings may vary due to availability of resources and changing needs within the school. This action plan review sets out how we intend to utilise the funding this year.

While ensuring students at Beaucroft continue to receive a broad and balanced curriculum and full enrichment offer, we plan to use the Primary Sports funding to:

Academic Year: 2022/2023		Total fund allocated: £16,673 + previous monies
