Newsletter w.e. 27th January, 2023

Hi everyone! We have exciting news to share... Our new College is finally opening!!

Official handover is April 17th. Additional improvements on the current site, including a replacement double classroom block, are also planned to commence at this time.

Consequently, we have arranged an additional **5 INSET days** to facilitate the move; **April 17th - 21st inclusive**

The move involves Post 16 and some senior groups moving to the new site in Wimborne. Classes on the current site will also be moving to their September 2023 classrooms but remaining in their current academic year classes.

To facilitate this significant movement, the school will be closed to all students, with all returning on April 24th.

The plan has been agreed with the Local Authority to facilitate the move and ensure the site is safe.

Please be assured this plan is necessary to accommodate the expansion and ultimately the whole school community will benefit. We do appreciate this may cause inconvenience and consequently we are providing as much advance notice as possible. We will continue to update as plans progress. We are looking forward to preparing the students for the transition, including site visits.

A huge THANK YOU to The John Thornton Young Achievers Foundation for their very generous donation of £5,000! A wonderful local charity and great friends of Beaucroft.

We will ensure our students across the whole school benefit.

Important teacher strike update:

As you will most likely be aware from the media, teacher members in the National Education Union (NEU) have voted to take industrial action on the following days: 1st February, 2nd March, 15th March and 16th March.

We have consulted with our staff team and can confirm that **we currently intend to be fully open to all students on 1st February.** If this changes we will let you know as soon as possible.

We will confirm our status regarding the further dates nearer the times.
