**MISSION:** Our vision is achieved by providing an inclusive, vibrant and supportive community based educational provision.

### Newsletter w.e. March 24th, 2023

Hi everyone!

It's an exciting time to be part of Beaucroft! We formally received our two new Variety minibuses on Friday—thank you to Variety and the sponsor Shan Seewooruthun and the BC Club.

As part of our Arts Award evidence collation, our Post 16 students had the fantastic opportunity to visit Roche Court, Salisbury, where they had many first-hand encounters with sculptural works based outdoors, and within a gallery setting. The student group took on board the opportunity to 'fact find' about each sculptor, including information about their practice, life and links with similar practitioners. The visit was absolutely superb and very well received by our aspiring art critics! Many thanks to the John Thornton Young Achievers Foundation for funding this valuable opportunity.

We are delighted that improvements on our current, main site are due to commence over the Easter holidays. These will include a replacement double classroom block and changing facilities for the swimming pool.

Naturally we are all very excited about the imminent opening of our new Beaucroft College after Easter—we look forward to seeing you there at the café!

The whole school enjoyed an out of this world space themed topic event this week with our very own Beaucroft rocket - Thanks to Neil from MSA for the cardboard he has provided for us recently.
