Hi everyone!

Our new swimming pool changing room has been amazing as we wait for the summer to arrive. The students love the hot showers and are not missing their cold walk back to the main school changing rooms.

We enjoyed our official Beaucroft College opening recently with a presentation featuring our wonderful College students. This included the premiere of our new Beaucroft College film that will shortly be on the Beaucroft website. Please look out for it next week. It was a wonderful opportunity to showcase our facility and staff and students were wonderful

ambassadors. It was lovely to welcome back previous students, including Peter Rolf who unveiled his amazing artwork. Do check the website for additional photographs.

Please support our new College venture if you are able to, by bringing your bicycle along to our cycle surgeon pop up every Wednesday morning - complete bike MOT and service for £20.

Summer term is our residential season where many of our students have the opportunity to transfer skills, promoting independence. They are great opportunities - let's hope the sun shines!

Enjoy the sunshine - at last!
