

## Beaucroft Foundation School

**VISION:** Every student to engage, enjoy and achieve. Developing self-esteem and resilience in preparation for adulthood. **Engage, Enjoy, Achieve!**

Our **aims and values** for our Beaucroft Community are to **THRIVE:**

Thoughtful, Happy & safe, Resilient, Valued and Empowered.

**MISSION:** Our vision is achieved by providing an inclusive, vibrant and supportive community based educational provision.

## Newsletter 23.03.26

The Reading Retreat project being brought to life has been a huge achievement for the school this term and is looking fantastic. The external aspects: cabin, doors, windows, roof and new tarmac pathway are now all complete. The electrics and air conditioning unit have been installed, with the Reading Retreat soon to be furnished. We hope to open the Reading Retreat to our students during the next half term and have plans for a grand opening at the beginning of June!

Earlier this term, we held our well-loved BGT (Beaucroft's Got Talent) competition. All of the entries were incredible and deserving of the trophies they received for making it to the final and performing in front of an audience of both the school and college students and staff. Our worthy solo singer winner was elated to win this year (after years of wonderful entries). We also got to thank and congratulate one of our teachers, Sally, with a lifetime achievement award for organising and bringing together BGT for all to enjoy.

As part of Career's Week (at the beginning of this month), the School and College classes were challenged to design, bake and make a cake to enter into the Beaucroft 'Bake Off meets the Apprentice' Cake Competition. The classes had to think carefully about and plan their ingredients, the costings, the flavours/taste, the look and decoration for their cake entry! The winner of the competition would have their cake made by and sold in Café 1HQ so the stakes were high. The competition was taken very seriously and it was brilliant to see all of the enterprise learning that had taken place and contributed to each project, including: market research; marketing skills; budgeting; design; and, of course, baking!

Across both sites, there have been so many brilliant experiences and learning opportunities that are worthy of a mention from: valentine's celebrations, fundraisers, whole site shared learning experiences and topics such as, space day, world book day, Otto's birthday, emergency services, and more. Please take a look at some of the photos overleaf to see some of these moments in action.

Finally, we hope you enjoy the two week break and wish a Happy Easter (to those celebrating) from Diane, Joe and the Beaucroft Team.

### Fundraising Updates:

Huge thank you to everyone who attended and supported Friends of Beaucroft Easter BINGO a few weeks ago. There were lots of brilliant prizes on offer and the event raised a fantastic amount of money which will benefit the students at both the School and College.

Wimborne Community Garden's Fundraiser: If you are able to, please follow the link below and show your support for the wonderful team of volunteers at Wimborne Community Garden (located at Beaucroft College) with their Gardener's World project. They're getting close to their target. Thank you ever so much to everyone who has already generously donated. After the garden has been exhibited at the show, it is kindly being donated to the School site to have its "happily ever after" next door to the new Reading Retreat. Full details about the project and fundraising link: [Wimborne Community Garden is fundraising for FAITHWORKS WESSEX](#)

We have also proudly been able to support the fundraiser for Krazy Kev's daughter as well as Comic Relief this term.

### Parent Support — We are here to help!

If you need any parent support, please reach out to Mandy and Catherine. They are happy to help you.
